Dear Dr. Heidi,

On behalf of the Southwestern Pennsylvania Registered Nurses Club, I would like to thank you for your presentation on January 19, 2021 on the subject of *Incorporating Homeopathic Treatments into Nursing Practice*.

It was a whole new discovery for some of us, and for other members, it was a wonderful reminder of their personal experiences with naturopathic medicine.

We appreciate your taking time out of your busy schedule to share your knowledge and expertise with us.

Sincerely,

**Mary O'Connor, PhD, MSN, RN**
